

Remember the days when you didn't have to lock your front door?

How the times have changed

Whether we like it or not, now, more than ever do we need to take measures to protect not only our families, but our homes as well.

Home security is a very important part of family life, style and protection. We all want to protect our loved ones, but not all of us can or are willing to spend over \$1200.00 for a system plus servicing and of course monitoring.

Because we, at Reliable Security know the importance of home and family protection, we have a reasonable and affordable solution for you and yours.

For only \$31.99 per month, Reliable Security will install a new, up to date Home Protection System that includes:

- Power Series 1832 DCS Panel
- 5500 keypad with time display
- Panic buttons for FIRE, MEDICAL and POLICE
 - 2 Door/window contacts
- 1 Digital infrared motion sensor (Pet immune up to 100lbs)
 - 1 Photoelectric smoke communicator
 - 1 Flood or low temperature sensor
 - 6 Window decals • 1 Interior siren
- 1 Backup battery • 1 Telco jack • 1 Yard sign
 - Extended limited warranty
 - Home owner's insurance certificate
 - 24 hour FIRE, MEDICAL, POLICE
- We will even include 24 hr monitoring
